Science: *Autumn and Winter Shifts*

Explore the signs of autumn and winter.
Observe how weather and daylight change throughout the seasons.
Measure and record simple weather data.
Compare autumn and winter and identify key features of each.

English

Core Text: *Toys in Space* by Mini Grey

Fiction: Writing our own narrative inspired by our core text.

- Use adverbs and adjectives to describe characters and settings.
- Use the suffix 'ful' in our writing.
- Use question marks accurately

Non-fiction: Recount

- Use co-ordinating conjunctions- and/but/or
- Use past tense verbs
- Use adverbs to modify verbs

History

The types of toys children played with in the past.
How toys have changed over time.
The materials used to make toys in the past.
How technology has affected the way toys are made.
How the games children play now compare to games played in the past.
