

Believe ~ Learn ~ Grow

Spring Term 2

Friday 28th February 2025

Dear Sycamore Class Parents/Carers,

Welcome back! We hope you have all enjoyed a lovely half term break with friends and family and are rested and ready for the new term ahead.

Along with this letter you will also receive the class topic overview so you can continue to support with your child's learning this term. We are also sending out with this letter our Pick and Mix home learning activities. Pick and Mix home learning will resume the week beginning **3rd March**. As usual, on this grid there are a range of homework activities based on English, Maths, Science and the term's value with some activities set as a '2Do' for children to complete on Purple Mash. It would be so appreciated if you could continue to encourage and support your child in completing one or two activities each week. One of the favourite parts of our week is sharing and celebrating home learning efforts together.

Humanities:

We are geographers this term with our focus being about natural hazards and disasters due to tectonic plates and the location of features such as fault lines and mountain ranges. We will also investigate the impact of the Earth's extremes on humans, animals and vegetation.

Seesaw:

Seesaw allows teachers to share aspects of children's learning with you at home as well as letting you share achievements with school.

As there have been a few issues with access recently, please let Mrs dos Santos know if you require a replacement log in.

PE:

Our PE slots continue to take place on a Monday and Thursday afternoon with a focus on ball skills and dodgeball. PE kits need to be worn on these set days throughout the whole school day please.

For Year 4 pupils, swimming sessions will begin in Term 5 with further communication to follow shortly when all details have been finalised.

Sycamore Open Session:

We will be holding an open session in the classroom to share learning and give parents/carers the opportunity to view books. This will take place from 2.30pm on Thursday 3rd April.

Values:

In Term 4 we will be learning all about "Justice".

Justice is ...

Judging what is right
Understanding what is fair
Standing up for those who need help
Trying to listen to both sides
Informed and wise decisions
Caring enough to take action
Equal opportunities for all

If you have any questions, please do not hesitate to contact the School Office on admin@lydiardmillicentceps.org

Thank you in advance for your support.

Sycamore Class team.

Mrs dos Santos and Mrs Tidy.
