

## READING

Remember to read 3-4 times a week. Ask an adult to comment in your reading journal.

- Write an advert to persuade people to visit a lighthouse.

3pts

- Create a set of instructions to explain how to clean your teeth. Don't forget to turn the tap off!

2pts

- Choose an animal of your choice and create a fact file.

4pts

- Create a word search of different words related to volcanoes for a friend to solve.

2pts

## SPELLINGS

Don't forget to practise your spellings weekly and learn any key words.

### Extreme Earth

## Believe ~ Learn ~ Grow

Sycamore  
SPRING TERM

This is your pick and mix home learning.

Complete at least 1 of these activities each week, handing the completed home learning in on a Friday. You should spend no longer than 1 hour per week on an activity and take activities from all of the different sections.

## MATHS

Practise your 3, 4, 6, 8 & 9 times tables and the related division facts. Remember to use TTRs.

- Make a circuit of fitness activities and do them for a week. Time yourself - do you get faster over the week? How could you record and show your results?

3pts

- Become an inventor and create a new invention of your choice. Write an explanation about how it works.

3pts

- Draw and/or make a model of a volcano and label its main features.

3pts

- Imagine you have visited a lighthouse and write a postcard home to discuss your experience.

3pts

- Compare the similarities and differences of at least two types of rock.

2pts

- Create a dictionary for words you have learnt about in science or geography.

3pts

- Write an acrostic poem about the value of Justice.

3pts

- Tell me about a time you have demonstrated the value of Justice.

1pt

### Home Learning Certificates
