

### Maths

As mathematicians, we will be having a big focus on times tables this year. We will be practising recalling multiplication and division facts up to 12x12 each day in class.

We will be continuing to develop our understanding of addition and subtraction this term. Towards the end of the term, we will work on multiplication and division, applying our knowledge of the times tables to solve more complex calculations.

### RE

In RE, we will be learning about why the Torah is important to Jewish people.

### PE

PE this term will take place on a Thursday. They will be learning about hockey during these sessions.

### Music

As musicians, we will start by developing performances of contrasting poems. Children will then use a variety of notations to build performances from different periods and styles.

### Topic

This term we will be focusing on our work as historians. As historians, we will be focusing on the Anglo Saxons. Children will be learning all about their artwork and will explore the different symbols they may find on Anglo Saxon artefacts. Children will also learn about the Anglo Saxon conversion to Christianity and the culture during this time period in history.

### **Beech Autumn 2**

*Where does our culture come from?*

**Believe ~ Learn ~ Grow**

### Value and PSHE

Our school value this term is Trust. During our PSHE sessions, we will be focusing on 'celebrating differences'.

### English

As authors, we will start by writing our own narrative. Our writing focus will be based around the text Arthur and the Golden Rope. Children will be developing their descriptive writing techniques, while still focusing on simple sentence punctuation. Our second writing unit will be a non-chronological report.

As readers, we will be taking part in daily whole class reading sessions. These sessions will focus on children's reading fluency and expression, while also developing their comprehension knowledge and understanding.

### MFL

As linguists, we will be learning to say the date in French

### Art/DT

As artists and engineers, we will be learning about different packaging structures. We will be exploring different pieces of packaging and gift boxes. Children will then be designing and creating their own gift boxes.
