

### Maths

As mathematicians, we will be continuing to learn about fractions. We will then apply our knowledge of fractions and place value to decimals, before moving onto length, perimeter and area.

Children in Beech class are working really hard to increase their recall speed on their times tables. It would be great if this could be continued to be supported at home.

### RE

In RE, we will be continuing to learn about what it means to be Muslim in Britain today.

### PE

PE this term will take place on Tuesday and Thursday afternoons. We will be learning dodgeball and netball.

### Music

As musicians, children will be exploring different music textures. They will use layers and rondo structure to combine ostinato using body percussion and tuned instruments.

### Topic

This term we will be focusing on our work as geographers by comparing London to the Alps. We will be learning to locate London and the Alps on a map and identify key features. Additionally, children will compare physical and human geography of London and the Alps. As geographers, children will explore the environmental issues faced in these two geographical locations and investigate their climates.

### **Beech Spring 2**

*London and the Alps*

**Believe ~ Learn ~ Grow**

### Value and PSHE

Our school value this term is Justice. During our PSHE sessions, we will be focusing on 'healthy me'.

### English

As authors, we will start by writing our own narrative. Our writing will focus around 'Mary and Frankenstein'. Within our narrative writing sessions, we will be focusing on possessive apostrophes, expanded noun phrases and how to use commas correctly. We will finish our writing this term by writing a biography about Mary Shelly.

As readers, we will be taking part in daily whole class reading sessions. These sessions will focus on children's reading fluency and expression, while also developing their comprehension knowledge and understanding.

### MFL

As linguists, we will be learning to talk about our family in French.

### Art/DT

As artists and engineers, we will be focusing on screen printing this term. We will begin by exploring different artists, before looking closely at the work of Andy Warhol.
