

Maths

As mathematicians, we will continue to investigate and learn and recap our times tables.

We will work on multiplication, division and fractions fractions, involving comparing, simplifying, ordering and solving problems.

History

As historians, we will discuss and investigate Mayan culture, beliefs, artefacts, and comparing their views on the meaning of sacrifice with our own.

English

As authors we will continue to develop our understanding of and use of expanded noun phrases, subordination at the beginning, middle and end of sentences, organisation of texts into paragraphs, and using a range of appropriate punctuation, based on the book - 'Varmints', focusing on persuasive and formal letter writing.

As readers we will take part in whole class and reading comprehension to support our fluency and understanding of texts.

R.E

As theologians we will explore and investigate the relationship between science and Christianity.

Year 6 Autumn 2

Believe ~ Learn ~ Grow

Science

As scientists, Year 6 will be exploring light and Year 5 will be working with Mrs Richmond

P.E

As athletes we will be continuing to develop our fitness and skills through Tag Rugby and Dance skills.

Art/DT

As artists, we will be exploring tone, perspective and atmosphere through the work Leonardo Di Vinci, Eric Kennington and Heath-Robinson

Value & PSHE

As philosophers we will explore 'Celebrating Difference'.

Computing - Media

In computing we will be creating video and web pages based on our History.

MFL

As linguists, we will be revising and developing our conversational language in French, with a focus on the classroom.

Music

As musicians, we will be learning about sounds in nature.
