

Maths

As mathematicians, we will continue to investigate and learn and recap our times tables.

We will be focusing on multiplying and dividing fractions by whole numbers and other fractions

My Happy Mind

We will be looking at the importance of gratitude for supporting our mental health and well-being.

Geography

As geographers we will be investigating the distribution of natural resources.

English

As authors we will continue to develop our understanding of and use of expanded noun phrases, subordination at the beginning, middle and end of sentences, organisation of texts into paragraphs, and using a range of appropriate punctuation, based on non-fiction and fiction texts relating to the period.

As readers we will take part in whole class and reading comprehension to support our fluency and understanding of texts.

R.E

As theologians we will explore and investigate the relationship between religion and preventing racism.

Oak Class Spring 1

Believe ~ Learn ~ Grow

Science

As scientists, we will be classifying different creatures in Year 6. In Year 5 we will be working on living things and their habitats.

P.E

As athletes we will be continuing to develop our fitness and balance through learning about Tudor dances, and our team skills with Kwik Cricket

Values & PSHE

As philosophers we will explore creating "Dreams and Goals".

Art/DT

As designers, we will be investigating pulleys, in order to build our own Tudor trebuchets.

Computing -Programming

As programmers, we will be investigating how to use variables using Scratch

MFL

As linguists, we will be revising and developing our conversational language in French, with a focus on the Tudors

Music

As musicians, we will be learning about sounds in nature.
