

### Maths

As mathematicians, we will be learning about ratios, revising all the taught content before SATS before conducting some maths-based investigations afterwards.

### Quality texts

We will discuss, investigate and base our writing and reading on Kensuke's Kingdom, and the Wonder Garden.

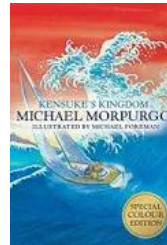

### English

As authors, we will continue to develop our understanding of and use of expanded noun phrases, subordination at the beginning, middle and end of sentences, organisation of texts into paragraphs, and using a range of appropriate punctuation, based on non-fiction and fiction texts.

As readers we will take part in whole class and reading comprehension to support our fluency and understanding of texts.

### R.E

As theologians, we will explore and investigate the importance of Jesus as a King.

Oak Class Summer 1

Kensuke's Kingdom/The Wonder Garden

Believe ~ Learn ~ Grow

### Science

As scientists, Year 5 will be investigating forces and Year 6 will be investigating evolution and inheritance.

### P.E

As athletes we will be continuing to develop our fitness and balance through learning about hockey and athletics.

### Art/DT

As designers, we will be designing, making and evaluating a mobile phone case.

### Values & PSHE

As philosophers, we will be exploring ways of maintaining good mental health.

### Computing -Programming.

As programmers, we will be investigating vector graphics and 3d models.

### MFL

As linguists, we will be revising and developing our conversational language in French, with a focus on habitats.

### Music

As musicians, we will be focusing on our singing confidence and skills.
