

### Maths

As mathematicians, we will be taking part in project learning to consolidate what we have done over the year.

### Theme

We will be drawing our Year 6 learning journey to a close, taking part in different activities, events and our final school play.

### English

As authors we will continue to develop our understanding of and use of expanded noun phrases, subordination at the beginning, middle and end of sentences, organisation of texts into paragraphs, and using a range of appropriate punctuation, based on non-fiction and fiction texts relating to the period.

As readers we will take part in whole class and reading comprehension to support our fluency and understanding of texts.

### R.E

As theologians we will explore and investigate the importance of life after death in the context of different religions.

### Oak Summer 2

### The Wonder Garden

**Believe ~ Learn ~ Grow**

### P.E

As athletes we will be continuing to develop our fitness and balance through learning about football and athletics.

### Values & PSHE

As philosophers we will be exploring ways of maintaining good mental health.

### Art/DT

As designers, we will be using textiles and then looking at photography as artists.

### Computing -Programming.

As programmers, we will be investigating creating 3D models.

### MFL

As linguists, we will be revising and developing our conversational language in French, with a focus on different people around the world.

### Music

As musicians, we will be focusing on producing our school play.
