

Maths

As mathematicians, we will continue to investigate and learn and recap our times tables.

We will work on understanding numbers up to 10,000,000, negative numbers, and associated number facts, and then building on this knowledge to multiply numbers by 1000.

English

As writers, we will discuss and investigate "Shackleton's Journey" by William Grill, using the text to support our understanding of setting descriptions and non-chronological reports.

Whole Class Reading

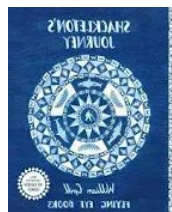

As readers, we will take part in whole class and reading comprehension to support our fluency and understanding of texts, using Micheal Morpurgo's "Beowulf" and through studying Viking sung poems like "Loki the Joker".

Believe ~ Learn ~ Grow

Oak Class Autumn 1

Shackleton's Journey

R.E

As theologians, we will explore and investigate what it means if Christians believe God is loving and holy.

Science

As scientists, we will be exploring electricity and materials and their different properties in Year 5 and electricity in Year 6.

P.E

As athletes we will be continuing to develop our fitness and skills through dodgeball and exercise.

Art/DT

As creatives, we will be constructing frame structures based around Lindisfarne Priory.

Value & PSHE

As philosophers we will explore the value of generosity. We will also discuss and explore 'being me in my world'.

Music

As musicians, we will be performing rhythmic sequences and combining and structuring rhythms through music

Computing -Systems and Networks

As Computer Scientists, we will be investigating how ICT are part of different networks.

MFL

As linguists, we will be revising and developing our conversational language in French.
