Mr Farmer's message

Dear families,

Despite the rainy weather outside, it has been an incredibly busy, vibrant, and energetic week here at school.

Our youngest learners in Acorns had a truly wonderful visit to the local church. They explored the building and asked fantastic questions. A massive thank you to Rev. Fran and her wonderful team for hosting us so warmly and making the experience so memorable for the children.

We were also delighted to welcome our new Reception parents for next year's intake during our induction evening. It was fantastic to meet so many new faces, welcome you into our school family, and share the exciting journey ahead.

To round off the week, the entire school jumped into action today with a fantastic skipping workshop! The school was buzzing with energy, new skills, and lots of laughter. We owe a massive thank you to the FOLMs for organizing this brilliant event and for generously buying skipping ropes and resources for the whole school to enjoy.

Hopefully the weather will be kinder next week and we will be able to go ahead with our rearranged sports day on Thursday - we look forward to seeing you all then!

Kind regards,

Mr Farmer

School Lane Safety Reminder

The safety of our children, families, and staff is our top priority. Please take a moment to review our site travel procedures:

- Lane Access Restriction: Driving up the school lane is not permitted unless you have received prior permission from the school or preschool for special circumstances.
- Mobile Phone Use: We have unfortunately noticed some drivers using handheld mobile phones. Please remember this is both illegal and a major safety risk, especially around young pedestrians.
- Site Speed: Please drive slowly, carefully, and remain vigilant at all times on the lane.

Thank you for your cooperation in keeping our community safe.
