## Mr Farmer's message

Dear families,

I would like to begin by expressing my sincere gratitude for your understanding regarding the postponement of Sports Day. Predicting the weather is always challenging, and despite our strong desire to proceed as planned today, we made the difficult decision to prioritise the safety and enjoyment of our pupils. However, I am delighted to celebrate the outstanding efforts of our children who participated in the field events earlier this week.

They demonstrated brilliant sportsmanship throughout, showing respect for one another and embodying the values we hold dear at Lydiard Millicent CE Primary School. Their enthusiasm and positive attitudes were truly commendable, and I could not be prouder of their conduct.

I am pleased to confirm that Sports Day will now take place next Thursday (weather permitting), following the same schedule as originally planned this week. Gates will open at 11:55am, allowing families to gather before the children join you for their picnic lunch at 12:00pm. When the bell rings, pupils will return to their classrooms briefly before the sporting events commence at 1:00pm. We look forward to welcoming you all for what promises to be an exciting and memorable afternoon celebrating our pupils' athletic achievements.

Please check parentmail as you should have received a letter sharing their class allocation for next academic year.

Have a great weekend,

Kind regards,

Mr Farmer

Children in Y4 will be swimming every Tuesday. Please be mindful of your parking on a Tuesday morning to ensure the Bus can access the top of lane from 9am

## Focus on: Sun Safety

We are expecting a significant period of hot weather. Please help us to keep your children safe by sending your children into school ready for hot and sunny weather. All children should have a hat in school to protect their heads from the sun and if you would like your child to have sun cream on then please apply a long lasting one before school. IF you send your child to school with sun cream, it must be labelled, your child must be able to sensibly apply it themselves and they MUST NOT share it with anyone else.
