Mr Farmer's message

Dear families,

It has been wonderful to see the school gates open again and welcome all our families back after the Easter break. The playground is once again buzzing with energy, and we hope you all had a restful and happy holiday.

With the arrival of some long-awaited sunny weather, we are thrilled to announce that the children are finally back on the school field for playtimes and PE! It is lovely to see them enjoying the green space.

As the temperature rises, please prioritize sun safety. For more detailed information, please refer to the sun safety information on page 2 of this newsletter.

A huge "Well Done" to Acorn Class for their beautiful collective worship this week. Their exploration of forgiveness was incredibly moving and thoughtful. A big thank you to the teachers and support staff in Acorns for helping the children prepare so well.

Finally, we are delighted to welcome Miss Ayres, who joins the team as the new Teaching Assistant for Acorn Class. I'm sure you will join us in giving her a very warm welcome to our school community!

Have a great weekend.

Kind regards,

Mr Farmer

Focus on: Sun safety

As we move into summer please send your children into school ready for sunnier weather. All children should have a hat in school to protect their heads from the sun and if you would like your child to have sun cream on then please apply a long lasting one before school. IF you send your child to school with sun cream, it must be labelled, your child must be able to sensibly apply it themselves and they MUST NOT share it with anyone else.

Help us help you make the right choice
