## Mr Farmer's message

**Dear families,**

What a truly special end to the school year we've had! This week, our amazing Year 6 pupils led a wonderful leavers' service at All Saints Church. It was a really touching service, and we were so proud of how brilliantly Year 6 conducted themselves, sharing their memories and hopes for the future. A huge thank you to Mr. Summerson for leading the service with them – it was a memorable occasion for everyone. We also want to extend a thank you to Mrs. dos Santos for all her fantastic contributions to the service.

Our Year 6 children this year has been simply wonderful. They've not only worked incredibly hard but have also been brilliant role models for the entire school, setting a fantastic example for younger pupils throughout the year. We are so proud of each and every one of them and wish them the very best as they move on to the next exciting stage of their education. We know they will all be incredibly successful in their new schools and we can't wait to hear about their achievements!

This has been another busy and successful year, and none of it would be possible without the dedication of our incredible staff. A massive thank you to every single member of staff who has worked tirelessly all year, always putting the children first and ensuring they have the best possible learning experiences. Their hard work and commitment make our school such a special place.

Finally, we have some news about our staff team. We want to send our very best wishes to Mrs. Kinnersley as she leaves on maternity leave. We're so excited for her and her family! While she's away, we extend a very warm welcome to Mrs. Fabian, who will be covering Mrs. Kinnersley's Thursday and Friday. We're delighted to have her join our team! Also Mrs Collis who has been working in Sycamore class (covering whilst Miss Cuthbert was absent) will be leaving us too. We are very grateful for all the hard work she has put in to supporting the children in sycamore.

Have a great summer holiday,

Kind regards,

Mr Farmer
