Mr Farmer's message

Dear families,

Dear Parents and Carers,

I am delighted to report that our pupils have made an excellent return to school following the half term break. Their enthusiasm and readiness to learn have been truly commendable, setting a positive tone for the term ahead.

As we look forward to the coming weeks, I would like to draw your attention to several exciting events on our calendar. Next Friday, we will be celebrating World Book Day, an opportunity for our pupils to immerse themselves in the joy of reading and storytelling.

The following Friday promises to be equally engaging, with Sublime Science workshops scheduled for the day. This will also be a dress-down day in support of our Friends of Lydiard Millicent (FOLMs) group.

Lastly, I am pleased to announce that we will be participating in Red Nose Day on the subsequent Friday. Pupils are encouraged to wear non-uniform, specifically something red, to mark this charitable occasion - Suggested donation via parentpay of £1. These events exemplify our commitment to providing a diverse and enriching educational experience for our pupils. We appreciate your continued support in making these activities successful and meaningful for our school community.

Kind regards,

Mr Farmer

THE SCHOOL STAFF CAR PARK

Some members of our school staff are finding it challenging to park in the staff car park at the beginning of the day because some parents are parking in it.

Please DO NOT park in the school car park before or after school. The combination of school buses, staff needing to park to begin their work is enough for our small car park to manage. Please park in the Sun Inn car park or the village hall (if it is available) if you need to drive. Many thanks for your support.

Focus on: Reading for Pleasure

At Lydiard Millicent CE Primary School we believe reading is a superpower! It unlocks worlds, sparks imagination, and builds essential skills. With World Book Day approaching, we're focusing on fostering a lifelong love of reading for pleasure in all our children. Why is reading for pleasure so important? It expands vocabulary, improves comprehension, and cultivates empathy. More than that, it's a joyful experience! We've seen fantastic engagement in our library sessions, with children discovering new authors and genres.

To support this at home, try these simple tips:

- Make it a routine: Dedicate a quiet time each day for reading.
- Let them choose: Encourage children to explore books that interest them, whether it's comics, factual books, or fiction.
- Read aloud together: Even older children enjoy shared reading experiences.
- Visit the library: Make regular trips to your local library to discover new books.
- Be a role model: Let your children see you enjoying books too!

World Book day is 6th March this year but we are Celebrating on 7th March.
