Mr Farmer's message

Dear families,

I'd like to extend our gratitude to FOLMs for arranging Father Christmas's visit to all classes this week and the Christmas Disco. These magical experiences have brought joy and excitement to our pupils this week

I'm pleased to announce that the children have collectively achieved an impressive 10,000 GEM points. To celebrate this remarkable milestone, we'll be hosting a Christmas movie afternoon. Further details about this treat will be communicated shortly.

Our KS1 Nativity performances are next week. We have limited number of tickets still available. However, they're being claimed quickly, so please act promptly if you're interested.

In a new initiative this year, we're introducing our first 'Christmas song House competition'. Houses will collaborate to perform a festive tune, fostering teamwork and holiday spirit. The winners of this exciting event will be announced in our final newsletter before Christmas.

Have a great weekend.

Kind regards,
Mr Farmer

ADVENT

Advent is a special time of year when we prepare our hearts and minds for the celebration of Christmas. It's a season of hope, peace, joy, and love. Traditionally, Advent is a period of four weeks leading up to Christmas Day. During this time, many people participate in various traditions, such as attending church services, reading Christmas stories, and singing carols. The Advent wreath, with its four candles, symbolizes the journey towards Christmas. Each week, a candle is lit, representing a different aspect of the Christmas story. This week's candle represents hope.
