

A big welcome back to all our pupils and families! I hope you had a lovely, restful half-term break. I'm excited to see everyone refreshed and ready for a busy term of learning and fun

I want to send a special thank you to our hardworking School Council and Miss Dancer. They have done a fantastic job promoting healthy snacks for break time during an assembly just before the half term break. Making good choices at break helps keep everyone focused and energized throughout the day! You can check out the great poster they put together with all their tasty ideas on page 2 of this newsletter. Excellent work! We have a packed and exciting term ahead! To ensure you stay completely up-to-date with all the events, trips, and important dates, please always check the school calendar within this newsletter. I will be updating it every week with the latest information, so make sure it's the first thing you look at!

Have a great weekend, Kind regards, Mr Farmer

Congratulations: 100% Birch

Annabel Oak

Happy Birthday to:

This weeks Gem Point winners

Snowy Owl

Last year we ran a very successful Parent Forum that met 5 times and was an opportunity for Mr Farmer to discuss important aspects of school work and for parents to ask questions. This was done through volunteer parents from each class across a range of years and with extra representation from SEND parents. If you feel you would like to volunteer this year to be a member of the parent forum then please email the office with your name and the class you would represent. Where more than 1 parent volunteers names will be picked from a hat.

HEALTHY SNACKS AT BREAKTIME *

WHY HEALTHY SNACKS?

Healthy snacks give us energy to learn, play and feel our best. They help our brains think clearly and keep our bodies strong!
