## Driving on the Lane

Please only drive down the lane if it is absolutely essential. By driving on the lane you are endangering our school community. The best approach is to park in the village or in the The Village Hall car park and walk.

## Mr Farmer's message

### Dear families,

Happy New Year to all our families! We hope you had a wonderful, restful Christmas break and enjoyed plenty of quality time with loved ones. It has been a joy to welcome the children back to the classrooms this week; seeing their smiling faces and hearing their holiday stories has brought a lovely energy back to school.

To officially mark the end of the festive period, Mrs. K led a special collective worship centered on Epiphany.

### Vital Communication: ParentMail

As we settle into the Spring term, we would like to remind all families to ensure they are actively using ParentMail. This is our primary method for all school-to-home communication.

Given the adverse weather conditions that have affected many schools across the country this week, it is essential that your account is active. Should ice or snow prevent our school from opening safely, ParentMail will be the first and main platform used to notify you. Please take a moment to:

- Check that your notifications are enabled.
- Verify that your contact details are up to date.

Thank you for your continued support in keeping our school community connected and safe. Here's to a fantastic term ahead!

Kind regards,  
Mr Farmer
