Mr Farmer's message

Dear families,

Thank you to everyone for engaging so well with Parents evening this week. These are important opportunities to discuss your child's progress with their teacher. World book day was a great success and each class had the opportunity to use the library for the first time. We still have a few more bits to do finish it but all the children had a wonderful time exploring books that are available for them to read.

Next Friday is comic relief. Children can come dressed in red for the day for a minimum donation of £1 via parentpay.

I hope you have a lovely weekend,

Kind regards,

Mr Farmer

Breakfast Club Update

Unfortunately we have been unable to recruit for the vacant breakfast club position. We have re-advertised for the 2nd time and we will keep you updated. We will need to continue with the current arrangements for the foreseeable future. Apologies for any inconvenience this causes.

Contact Details

If at any time during the year your emergency contact details change please let the office know immediately so we can update our records.

This term's value is: Forgiveness

Just as the Lord has forgiven you, you must forgive others. Colossians 3:13

As we continue sharing our understanding and examples of forgiveness in school, you may want to do the same at home.

Look here for some examples of how to if you would like:

LOST PROPERTY

We have a considerable amount of un-named lost property. It will be out for you to look through after school on Monday in the playground.

Please ensure all the clothes your children wear are named.

Focus on: Seesaw – Parental Engagement

Parental engagement with their children's learning can have huge benefits to the outcomes children achieve. Research shows that when parents engage fully with their child's learning across their time in primary school it can have the impact of effectively adding an extra year of progress to their outcomes.

At Lydiard Millicent we use Seesaw to support Parents to engage with their children's learning. By sharing learning on a regular basis you can see what your child is doing in school. This has several benefits.

Firstly it can start the conversation after school – "I saw you wonderful writing today – did you enjoy it? What was your favourite bit? Why did your teacher want me to see it?"

Rather than the conversation you've probably had... "What did you today?" "Nothing..."

I have had this exact conversation with my children and in fact still do – His school don't use Seesaw!

Secondly it can open a brief dialogue with your child's class teacher about their learning.

You might comment "I can see my child is struggling with writing the letter 'g' we can practice this at home" and the class teacher might respond with some ways you could support this learning at home.

I hope you take the opportunity to use Seesaw in this way to support your children with their learning.

Seesaw
Keeps everyone in the learning loop
