Mr Farmer's message

Dear families,

I hope you like the new design of the weekly newsletter and that you are enjoying seeing all the work your children are completing in class via Seesaw. This week Academy Council members visited school to see some learning, talk to leaders and talk to children about their work. They were particularly interested in English and Maths and saw some wonderful learning and were impressed with how well the children spoke about their learning. Earlier in the week we sent out information about a Parent Academy Council member vacancy. Please do contact the school if you have any questions about being an Academy Council member and we will put you in touch with a member of the Academy Council to talk to.

**Kind regards,
Mr Farmer**

Chewing Gum

We have had a couple of incidents this week of children having chewing gum in school and chewing it on the playground. **PLEASE** ensure your children do not bring chewing gum into school. It has the potential to be very dangerous as a choking hazard, particularly when children are running around on the playground.

Photo Permissions

At the start of the year photo permissions are acquired from you. If at any point in time you wish to change your permissions (either to grant or remove) then please contact the office.

This term's value is: Forgiveness

Just as the Lord has forgiven you, you must forgive others. **Colossians 3:13**

- Forgetting the hurts
- Offering a new beginning
- Restoring a friendship
- Given and received
- Identifying responsibility
- Valuing the truth
- Ending an argument
- Not holding a grudge
- Encouraging honesty
- Saying sorry
- Starting again

Focus on: When SHOULD I keep my child off school

Attendance at school is key to academic success.

However there are times when pupils are unwell and should not come into school.

When this occurs it is important that you contact the school first thing in the morning of the first day of absence and then every subsequent day to confirm they are still absent because they are unwell.

Below is a list of illnesses from the NHS that children should be absent from school for and some they don't need to be absent for.

Yes

Until...

Chickenpox

at least 5 days from the onset of the rash and until all blisters have crusted over

Diarrhoea and Vomiting

48 hours after their last episode

Cold and Flu-like illness (including COVID-19)

they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.

Impetigo

their sores have crusted and healed, or 48 hours after they started antibiotics

Measles

4 days after the rash first appeared

Mumps

5 days after the swelling started

Scabies

they've had their first treatment

Scarlet Fever

24 hours after they started taking antibiotics

Whooping Cough

48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...

Hand, foot and mouth

Glandular fever

Head lice

Tonsillitis

Threadworms

Slapped cheek
